

Rok Haus Party Packages

Be a guest at your own Party!!

Rok Haus birthday parties are an excellent way to celebrate with family and friends. Not only is the Rok Haus a unique place for your party it is also convenient and easy. Let the Rok Haus staff take the leg work out of your party. All you need to do is show up with enthusiastic climbers. That is about as simple as it gets.

The base price for a party at the Rok Haus is \$200.

That includes:

- Harnesses
- Instruction
- Pizza
- cake and punch for up to 10 climbers.

Additional climbers are \$10 each. Parties are 2 hours long. There is no minimum age for climbers but you must be at least 13 years old to hold the ropes for climbers, known as “belay”. If your climbers are younger than 13 we recommend asking some of the parents to assist you in the rope management duties. A ratio of one adult to 3 or 4 climbers is adequate and we teach you what you need to know. Or we can supply belayers for your party if you give us advanced notice. The cost is \$20 per belayer.

Climbers should come in comfortable clothing and clean sneakers please. Each participant will need to complete a waiver and participants less than 18 years old will need a parent’s signature. The waiver can be printed from the web site.

We can book your party over the phone or come by and check us out. We require a deposit to book your party and in the event you need to cancel or reschedule your party date we require a 7 day notice for full refund of your deposit.

So give us a call! We will do our best to make your party fun, easy and stress free.
